

EVIDENCE BASED DEPRESCRIBING GUIDELINE SYMPOSIUM 2018

Monday, March 26th – Wednesday, March 28th 2018 - Preliminary Agenda

Ottawa Conference and Event Centre, 200 Coventry Road, Ottawa, Ontario Canada

Monday, March 26th 2018	
7:45 – 8:30	Registration and breakfast
8:30 – 9:15	Welcome Address Inaugural experiences developing deprescribing guidelines Barbara Farrell, BScPhm, PharmD, FCSHP Scientist, Bruyère Research Institute
9:15 – 10:00	Keynote: Why do we need a high quality method for developing deprescribing recommendations? Kevin Pottie, MD, MCISc, CCFP, FCFP Scientist, Bruyère Research Institute and GRADE Working Group methodologist
10:00 – 10:15	Morning Break
10:15 – 11:45	How do we make sure guidelines are developed efficiently and effectively while meeting the needs of users? Panel discussion: <ul style="list-style-type: none"> ▪ Health care provider perspective – TBC ▪ Patient/public perspective – Johanna Trimble, Member, Patients for Patient Safety Canada and the BC Patient Voices Network ▪ Payor perspective – Ned Pojskic, PhD, Pharmacy Strategy Leader, Green Shield Canada (GSC) ▪ Policy perspective – TBC
11:45 – 12:00	Instructions for small working group afternoon discussions
12:00 – 1:00	Lunch Break
1:00 – 2:30	Small working group discussions <ul style="list-style-type: none"> ▪ Getting started on an evidence-based clinical guideline (choice of priority therapeutic topic areas – e.g. statins, opiates) – Lisa McCarthy, BScPhm, PharmD, MSc, Scientist, Women's College Research Institute at Women's College Hospital, Lise Bjerre, MD, PhD, CCFP, Scientist, Bruyère Research Institute, and Feng Chang, BScPhm, PharmD, Assistant Professor, School of Pharmacy, University of Waterloo ▪ Incorporating deprescribing recommendations within existing clinical practice guidelines Carlos R. Fernandez, BSc(Pharm), PharmD, Health Outcomes Research Consultant. ▪ Planning a GRADE deprescribing special interest group – Lisa Dolovich BScPhm, PharmD, MSc, Ontario College of Pharmacists Professorship in Pharmacy Practice, Leslie Dan Faculty of Pharmacy, University of Toronto and Kevin Pottie, MD, MCISc, CCFP, FCFP, Scientist, Bruyère Research Institute, GRADE Working Group methodologist
2:30 – 2:45	Afternoon Break
2:45 – 4:00	Moving deprescribing guideline initiatives forward Panel discussion: <ul style="list-style-type: none"> ▪ Therapeutic topics perspective ▪ Existing clinical practice guidelines perspective ▪ GRADE deprescribing special interest group perspective
4:00 – 4:15	Reflection and next steps Lisa McCarthy, BScPhm, PharmD, MSc Scientist, Women's College Research Institute at Women's College Hospital

Tuesday, March 27th 2018	
7:45 – 8:30	Registration and breakfast
8:30 – 8:45	Welcome James Conklin, PhD Associate Professor, Applied Human Sciences at Concordia University
8:45 – 9:30	Keynote: The long and winding road: moving a good idea into routine practice Frank Federico, RPh Executive Director, Strategic Partners, Institute for Healthcare Improvement (IHI)
9:30 – 10:30	Learning from implementation experiences in different care contexts Panel discussion: <ul style="list-style-type: none"> ▪ Vittorio Maio, PharmD, MS, MSPH, Thomas Jefferson University, the Italian experience ▪ Innovator Network member, Institute for Healthcare Improvement, the IHI experience in the United States ▪ Barbara Farrell, BScPhm, PharmD, FCSHP, Bruyère Deprescribing Guidelines team, the Ontario experience
10:30 – 11:00	Morning Break
11:00 – 12:15	Deprescribing guideline implementation – what works and what doesn't: Opportunities to learn from each other Small group discussions
12:15 – 1:00	Lunch Break
1:00 – 1:30	Moving deprescribing forward – what needs to happen so deprescribing becomes a routine part of health care? Alan Cassels, CD, MPA Drug Policy Researcher, Faculty of Human and Social Development, University of Victoria
1:30 – 2:30	Concurrent sessions <ul style="list-style-type: none"> ▪ Moving forward across health care contexts – TBC ▪ What role can policy play in the implementation of deprescribing initiatives? – Justin Turner, BPharm, MClinPharm, PhD, Senior Advisor, Science Strategy, Canadian Deprescribing Network (CaDeN), Postdoctoral Fellow, Centre de recherche Institut universitaire de gériatrie de Montréal ▪ Engaging with the public – aiming for collaborative care for deprescribing – Emily Reeve, BPharm(Hons), PhD, Research Fellow, Kolling Institute of Medical Research, Northern Clinical School, Faculty of Medicine, The University of Sydney
2:30 – 3:00	Afternoon Break
3:00 – 3:30	Creating sustainability for deprescribing guideline implementation Panel discussion: <ul style="list-style-type: none"> ▪ Collaboration and communication within and across contexts of care ▪ Policy initiatives needed for deprescribing guideline adoption ▪ Strategies for public engagement and involvement
3:30 – 4:00	Why deprescribing is a “wicked” problem and what to do about it James Conklin, PhD Associate Professor, Applied Human Sciences at Concordia University
4:30 – 6:00	Canadian Deprescribing Network (CaDeN) Sponsored reception – wine & cheese

Wednesday, March 28th 2018		
7:45 – 8:30	Registration and breakfast	
8:30 – 8:45	Welcome Lalitha Raman-Wilms, BScPhm, PharmD, FCSHP Professor and Dean, College of Pharmacy, Rady Faculty of Health Sciences, University of Manitoba	
8:45 – 9:30	Keynote: Deprescribing guidelines education and research – the interplay and the way to move forward Lisa Dolovich, BScPhm, PharmD, MSc Ontario College of Pharmacists Professorship in Pharmacy Practice, Leslie Dan Faculty of Pharmacy, University of Toronto Ivy Oandasan, MD, CCFP, MHSc, FCFP Associate Director, Academic Family Medicine, College of Family Physicians of Canada	
9:30 – 12:00	Educator breakout stream (includes morning break) Learning to be a better prescriber Zubin Austin, BScPhm MBA MSc PhD FCAHS Professor and Murray Koffler Chair in Pharmacy Management Working group: How do clinicians learn to prescribe and deprescribe?	Researcher breakout stream (includes morning break) Participatory vs Expert-led Evaluation: competing factors in guideline implementation and evaluation Malcolm MacLure, ScD Academic Chair in Patient Safety and Professor in the Department of Anesthesiology, Pharmacology and Therapeutics at UBC Deprescribing Research: Past and Future Wade Thompson, PharmD, MSc, PhD (Candidate) University of South Denmark World Café: Deprescribing research priorities and important outcome measures for developing guidelines
	12:00 – 1:00	Lunch Break
1:00 – 2:30	Educator breakout stream continued Developing a national approach to quality prescribing and deprescribing Zubin Austin, BScPhm, MBA, MSc, PhD, FCAHS Professor and Murray Koffler Chair in Pharmacy Management Working group: Developing a national approach to quality prescribing and deprescribing.	Researcher breakout stream continued Evaluating deprescribing guideline implementation initiatives Rapid fire presentations: Ongoing research Frank Moriarty, BSc (Pharm), MPharm, PhD, MPSI HRB Centre for Primary Care Research, Ireland World Café: Evaluating the implementation and effectiveness of deprescribing guidelines
	2:30 – 3:00	Afternoon Break
